

With almost 120 experienced employees and 25,000 m² of company premises, Mopptex is the largest private label manufacturer of floor cleaning textiles for the professional sector in Central Europe. Mopptex produces the cleaning textiles of many international brands and companies.

Quality and sustainability always come first. Thanks to our ISO-certified European in-house production, we serve our customers very promptly, professionally and individually with the highest quality.

Tailor-made developments and solutions consolidate our status within our valued customers.

Advantages:

- approx. 20 years of know-how
- High capacities
- Best price-performance ratio
- Made in EU / Germany
- Tailor-made articles according to customer requirements
- Prompt deliveries
- Logistic solutions
- Professional competence

The majority of the mops are made exclusively from German materials - both the microfiber fabric and other components such as pocket material, straps, and much more.

With our technical expertise, we are happy to advise you on innovative new developments.
